Re: United States v. Lisa M. Montgomery
No. 05-06002-01-CR-SJ-GAF

Dear Susan:

In response to your requests and your correspondence of April 26, 2005, please be advised that we will make available for your review any of the items in our possession which are mentioned in your correspondence. My suggestion is that we try to make arrangements to meet at the FBI for a review of all of the evidence seized by investigators during the investigation. If there are documentary items available you would like to obtain copies of in the evidence bags, we can ask the FBI to make those copies for your file.

Per our discussion on April 26, let's try to set up a meeting at the FBI sometime after May 9.

Please let me know if you have any questions or concerns.

Sincerely,

Todd P. Graves
United States Attorney
